DID YOU KNOW....

"Cheerfully share your home with those who need a meal or a place to stay."

Notes from the Executive Director:

The long and blustery winter

It was a turbulent winter here in North Wildwood! With multiple Nor'easters, a ton of snow and debilitating power outages, we are more than ready for summer around here!

Fortunately, the Fresh Air Home fared pretty well, through it all she stood proud, waiting for her renovations to begin. I don't know how she would take another winter like this one though, the foundation seems a little more saggy, the plaster includes more cracks and the porch appears a little less stable.....

The good news is, the Century Campaign is well under way and I am happy to report that we are making great strides toward our goal to renovate the Home with the support of businesses, civic organizations and individuals pledging their commitment to CFAH .

Don't forget to check out all of the new ways that you can support CFAH!

Stay tuned for more info about the Century Campaign - and upcoming fundraising activities!

• **You can sponsor a child this summer!**

A \$350 contribution will help send a child to camp this summer! While the Home awaits renovations, CFAH is serving children, who qualify for a stay at the Fresh Air Home, for a week stay at Camp Haluwasa. We need your help to continue this very important mission!

• **CFAH is on FaceBook!**

It was a great beach day in North Wildwood!

– The ELKS FRESH AIR PLUNGE

On Saturday, March 20th the air was a balmy 72 degrees, the ocean was a bit chilly and dozens of people took the plunge to support the Children's Fresh Air Home Century Campaign!

The Elks Fresh Air Plunge, hosted by the South District New Jersey Elks, was a fun family beach day and helped to raise awareness of the CFAH plight, in addition to raising more than \$12,000 for the campaign!

Special thanks goes out to the Greater Wildwood Elks Lodge 1896, the City of North Wildwood for their continued support, and everyone who participated and volunteered their time to help us in our mission of

"Preserving the Exterior...Rebuilding the Interior"

The Haddonfield Rotary supports CFAH efforts!

For more than eighty years, members of the Rotary Club of Haddonfield have worked in a wide variety of ways to put the Rotary motto – "Service Above Self" - into practice for the benefit of the club, the members' vocations, the local community, and the wider world.

At a meeting on March 24th the Haddonfield Rotary presented the CFAH with a check for \$5,000 and pledged other fundraising efforts in 2010 to benefit the organization as well!

Frank Wisniewski, Secretary of the CFAH Board of Trustees along with Lois Donaway, who attended the Home as a child and later volunteered there, shared with the Rotary membership the story of the Home and the critical need for renovations.
